GH¢300

ALL RAW PHOTOS

Raw photographs are not released as part of any package. The full set of raw event photos is available only after payment of GH¢300. Raw video footage requires a separate written agreement.

GH¢35

EACH EXTRA EDITED PHOTO

Every edited photograph beyond the selected package quota costs GH¢35. Extra premium retouching and printed copies may be quoted separately.

EXTRA

OVERTIME PAYMENT

Any work beyond the total shoot hours stated in the chosen package attracts an additional payment, agreed before the extra coverage begins.

SCHEDULE, ACCESS AND MISSED MOMENTS

The studio will arrive at the agreed time to photograph and film the scheduled moments. The client must provide an accurate programme, promptly communicate changes, and arrange timely access. The studio is not responsible for moments missed because proceedings are rushed, schedules change without notice, or access is restricted beyond its control.

Terms & client agreement

SOCIAL MEDIA AND WEBSITE

The studio may post selected event photographs and videos on its social media pages and website, and use them in its portfolio and marketing. The client may request private coverage for a GH¢500 fee, agreed in writing before the event. The studio will then refrain from publishing identifiable event images under its control. Applicable privacy rights of individuals remain in effect.

IMAGE SELECTION

Only the best photographs from the event are selected for professional editing. The studio determines the final image selection.

COPYRIGHT AND PERSONAL USE

Photographs and videos remain the studio's intellectual property, subject to applicable law and any written agreement. The client receives personal viewing, printing and sharing rights. Commercial use requires written permission.

CANCELLATION AND RESCHEDULING

The booking fee is non-refundable after booking confirmation. Rescheduling is subject to availability.

OTHER PAID SERVICES

Unless explicitly included, additional videos, longer films, extra prints, frames, albums, crew, drone coverage, same-day edits, express delivery, extra days and destination coverage outside the agreed location cost extra.

DRONE CONDITIONS

Drone coverage depends on suitable weather, venue rules, airspace restrictions and safety. If flight is not permitted, alternative cinematic footage will be provided.

FORCE MAJEURE

The studio is not liable for inability to perform due to events beyond reasonable control, including severe weather, natural disasters, government restrictions, civil unrest, medical emergencies or equipment failure despite reasonable backup measures.

CLIENT AGREEMENT

Payment of the booking fee confirms that the client has read and accepted the selected package, the Booking Policy, these Terms, the deliverables and payment schedule. This agreement begins upon receipt of the booking fee.
