Booking & studio etiquette

RESERVE YOUR SESSION

A 50% booking payment secures the agreed studio appointment. The remaining balance is due immediately after the shoot and before editing or delivery. Your slot is confirmed once the booking payment is received.

ARRIVAL AND LATENESS

Please arrive on time and tell us promptly if you are delayed. A 15-minute grace period applies. Arrival more than 15 minutes late attracts a GH¢50 lateness fee and may shorten the session. After 30 minutes, the slot may need rescheduling, subject to availability.

RESCHEDULING

Please request a change at least 48 hours before the session. One change can be accommodated subject to availability. The booking payment is not refundable after confirmation.

OUTFITS AND PREPARATION

The number of outfits is stated in each package. Please bring them ready to wear. Makeup is included only in Signature; other makeup or styling is arranged separately.

PHOTO DELIVERY

Turnaround begins once the full balance is paid and the client has confirmed any required image selection. Delivery is through the channel stated in the chosen package. WhatsApp documents are used where specified to preserve file quality.

ADDITIONAL PHOTOS

Each extra edited photograph beyond the package allowance costs GH¢35. Further premium retouching, extra reels, prints, frames and other additions may be quoted separately.

RAW PHOTOGRAPHS

Raw photographs are not included and will not be released unless separately purchased. The fee for the complete raw photo set from the session is GH¢300. Raw video footage requires a separate agreement.

EXTRA TIME

The appointment length is confirmed when booking. Additional studio time is subject to availability and costs GH¢50 per 15 minutes, agreed before extending the session.
