ENGAGEMENT & WEDDING PACKAGES

PHOTOGRAPHY / FILM / DRONE

A coordinated photography and film experience for both celebrations. Choose a combined one-day programme or two separate days: one for the engagement and one for the wedding. Every package states the total crew hours and the allocation across two days.

FIVE CURATED EXPERIENCES

One story, two celebrations

The package price is the same whether your engagement and wedding take place on one day or on two separate days. The selected package includes one total coverage allowance. For a two-day programme, the stated hours are divided between the two events.

ONE DAY

The engagement and wedding are held on the same date. All package hours are available that day.

TWO DAYS

Engagement takes place on one day and wedding on another. Use the split listed on the package page.

WHAT IS INCLUDED ACROSS THE COLLECTION

Professional photo and video coverage, a two-minute highlight reel, an edited full event film, a thank-you flyer, Google Drive delivery and a pen drive. Higher tiers add more coverage, enhanced keepsakes and production features.

GH¢300

ALL RAW PHOTOS

Raw photographs are not released as part of any package. The complete raw photo set from the covered programme is available after payment of GH¢300. Raw video footage requires a separate written agreement.

GH¢35

EACH EXTRA EDITED PHOTO

Each edited photograph beyond the selected package quota costs GH¢35. Extra premium retouching and prints may be quoted separately.

EXTRA

OVERTIME PAYMENT

Hours beyond the package total attract an additional payment, agreed before the extra coverage begins.

SCHEDULE, ACCESS AND MISSED MOMENTS

The studio will arrive at the agreed time to photograph and film the scheduled moments. The client must provide an accurate programme for both events, communicate changes promptly, and arrange timely access. The studio is not responsible for moments missed because proceedings are rushed, schedules change without notice, or access is restricted beyond its control.

Terms & client agreement

SOCIAL MEDIA AND WEBSITE

The studio may post selected photographs and videos from the programme on its social media pages and website and use them in its portfolio and marketing. The client may request private coverage for a GH¢500 fee, agreed in writing before the first event. The studio will then refrain from publishing identifiable event images under its control. Applicable privacy rights remain in effect.

IMAGE SELECTION

Only the best photographs from the events are selected for professional editing. The studio determines the final selection.

COPYRIGHT AND PERSONAL USE

Photographs and videos remain the studio's intellectual property, subject to applicable law and any written agreement. Clients receive personal viewing, printing and sharing rights. Commercial use requires written permission.

CANCELLATION AND RESCHEDULING

The booking fee is non-refundable after confirmation. Rescheduling either date is subject to availability.

OTHER PAID SERVICES

Unless explicitly included, additional videos, longer films, extra prints, frames, albums, crew, drone coverage, same-day edits, express delivery, extra days and destination coverage outside agreed locations cost extra.

DRONE CONDITIONS

Drone coverage depends on suitable weather, venue rules, airspace restrictions and safety. If flight is not permitted, alternative cinematic footage will be provided.

FORCE MAJEURE

The studio is not liable for inability to perform due to events beyond reasonable control, including severe weather, natural disasters, government restrictions, civil unrest, medical emergencies or equipment failure despite reasonable backup measures.

CLIENT AGREEMENT

Payment of the booking fee confirms acceptance of the selected package, booking policy, terms, deliverables, coverage schedule and payment schedule. This agreement begins upon receipt of the booking fee.
